ETD - YOUR WHOLESALE FOR THE COMPLETE PACKAGE

European Tyre Distributors B.V. (ETD) specializes in the import of Asian tyres for the European market, with the brands LEAO and Security as its flagships. Due to the well-established partnerships with top Asian manufacturers ETD can guarantee the quick supply of high quality products straight from Asia or from ETD's 20.000 m² of warehouses near Rotterdam, the Netherlands.

While ETD's core business is tyres, in all different ranges and sizes, they also offer a good selection of accompanying products such as tubes and wheels. ETD therefore is a reliable partner in TBR, AGR, OTR, PCR but also in niche markets such as trailer, industrial and crossply tyres. Additionally they have an assembly line for complete wheels, offering a large range of tyre and wheel assemblies.

Next to their substantial range, ETD is also known for its great service. With forty years of experience they are able to provide the best advice tailored to the customers' specific requests.

Overall, European Tyre Distributors stands for a large range of quality tyres, competitive prices and a level of service that surpasses international competition.
